

Polyhose Performs with the Widest Range of Hose Solutions Globally

SAE J517 100 R1 - R19 AND EN856 SERIES

HYDRAULIC HOSE R1-R19

Polyhose manufactures the industry's widest range of fluid conveyance systems—including the full hydraulic product line featured in this catalog. As **one of three manufacturers worldwide with this level of vertical integration**, Polyhose efficiently serves distributors and OEM customers while exceeding global hose standards. Our products are ready to ship immediately—we've got the shortest lead time and widest product range in the industry.
